

ROOTS STEAKHOUSE RIDGEWOOD
PRIVATE DINING

"Bustling" and "big-fisted", this duo of "classic", "clubby" chophouses in Summit and Morristown "does all the important things well", from "killer" steaks and "fabulous" shellfish to a "world-class wine list and terrific cocktails"; the "professional" staff helps to make dinner a "civilized experience." -Zagat 2013

Harvest Restaurant Group is family owned and operated. In 1996, they realized that great food was missing from New Jersey and wondered why residents should have to trek into New York City for a fine dining experience. From this notion, Trap Rock Restaurant and Brewery was born in Berkeley Heights, NJ. Trap Rock was one of the first NJ restaurants to offer locals farm-to-table comfort food with a creative twist and hand-crafted brews, too.

Since the inception of Trap Rock, Harvest Restaurants has grown to 13 restaurants, plus a catering business, and nearly 1000 employees throughout Northern and Central New Jersey. Concepts include American farm-to-table and high-end steakhouses. Harvest firmly believes that hospitality starts with its own employees where employees come first. The Harvest team lives by a set of core values that support the well-being of their staff and communities. Employees enjoy a culture in which people truly care about each other, resulting in a high level of pride, respect, and enthusiasm in everything they do.

Harvest Restaurants is one of the largest independent restaurant groups in New Jersey most known for quality, service, and atmosphere while providing its employees with tremendous career growth potential.
